

# CONNECT THE DOTS

Print out this sheet and connect the dots starting from dot 1 and ending at dot 119.

Once you have connected all of the dots to form the bird, color in your picture to create your own new species! After you have finished, head outside and try to find a bird that resembles your picture! If you are interested, we would love to see who you have drawn, so feel free to send us your bird at [info@thelandbetween.ca](mailto:info@thelandbetween.ca)!
